

Christmas Greetings from Homebuilders

Tēnā Koutou Katoa

It's been a year of change for us at Homebuilders - we started the year with no office base, we continued to work through Covid times and then moved into our new building in July and spent some time finding our new way of working together after working from different venues for two years. Thankfully, our Greymouth team were able to maintain some sense of normality throughout this time.

We continue to be humbled by the many beautiful, generous and wise people who work with and alongside the community. And it is at this time of the year we acknowledge the wonderful community effort and kind people who give in many ways, especially at this time of the year.

As this year draws to a close we often reflect on the year gone by.....Christmas gives us an opportunity to pause and reflect on the important things around us, it is a season not only of rejoicing but of reflection. Christmas is not necessarily about things, it's also about being good to one another.

A time to count our blessings, sing Christmas Carols, open gifts, spend time together and fill our homes with love and joy.

We wish everyone a beautiful Christmas time, with blessings, prosperity, good health and good times.

And we send glad tidings for the New Year and look forward to working with our clients and colleagues in 2024.

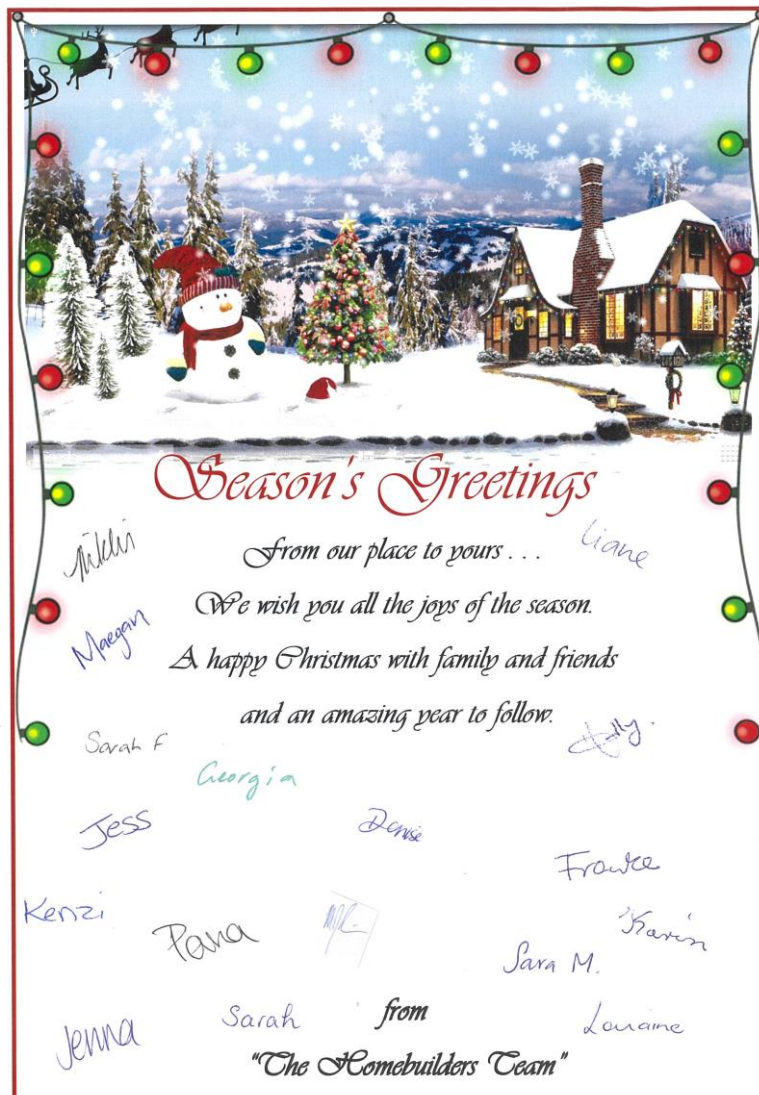

A quote to close:

“May this season find you among those you love, sharing the twin glories of generosity and gratitude” - Oprah Winfrey
